

THE GUITAR, AMP & KEYBOARD CENTRE BRIGHTON

What can I buy?

You can use Take it away to finance the purchase of any kind of musical instrument, from a tabla to a bass guitar! You can also include music stands, stools, sheet music and other equipment.

Please note: Amplifiers only qualify when purchased with an instrument. Recorded music, PA systems and computer hardware are not eligible to purchase under the scheme.

How do I Take it away?

First, find an instrument that you want to buy. If you don't know what you're looking for, GAK staff in our **store** or on our **phone lines** will be able to give you help and advice in selecting the right instrument for your needs.

Once you've made your decision, you can apply for a Take it away loan to finance your purchase. You will need to have a credit or debit card with you in order to pay the 10% deposit. The application process takes no more than a few minutes and, if approved, you can take your purchase away with you there and then.

If you apply over the phone the goods will arrive within 3 weeks (subject to stock availability) of us receiving your signed agreement forms and a copy of your ID (Passport, driving licence or utility bill).

To apply for a loan you need to be:

18 years old or over*

A permanent UK resident

Hold a bank or building society account capable of handling direct debit payments

* if you are under 18, your parent or guardian can apply for a Take it away loan on your behalf. Loans are subject to status. Terms and conditions apply.

How much can I borrow?

Loans are available up to £2,000, or as little as £100. The loan amount can be a part-payment towards an item that costs more than £2,000, or you can buy several lower value items with a combined value of up to £2,000 or more.

You will need to pay a minimum 10% of the loan amount at the point of sale. The rest is then paid back over nine months in equal installments. There is no administrative charge or handling fee when you take out the loan, so you will never be paying more for your purchase than the ticket price.
